Week 6: Single Letter Chapters

Why do we need to know where there are chapters?

Chi Phi is your family beyond your family. Chi Phi is your home beyond your home. Do you know where your house is? Then you should probably know where your house beyond your houses are. By knowing where we have other chapters, you inherently learn about our brotherhood and appreciate how we have grown from our simple beginnings. This week, we will talk about the single letter chapters as well as the Alpha series and why those ones are unique.
