

Week 2: Local Chapters

Why Are Other Chapters Important?

You might ask yourself, why is it important to be knowledgeable of other fraternities' letters, nicknames, and locations. As you know Chi Phi's pride themselves on our actions and behavior. Being ignorant of basic knowledge of other fraternities would be disrespectful to the members of those fraternities that we share a community and campus with. As one of Chi Phi's Core Values, respecting our peers is crucial on the path to becoming a Chi Phi gentleman.
